CONFIDENTIAL . 724TH BOMBARDMENT SQUADRON (H) 451ST BOMBARDMENT GROUP (H) APO 520, US Army. 27 April 1945. STATEMENT Just after we left the target I noticed one of our squadrons planes flying about 4,000 feet below us by itself. We were fly-ing east and about 6 minutes after leaving the target our formation turned south. I saw the ship continue due east. I could see no sign of damage to the ship and it was flying in a normal manner with all its engines operating. The time was approximately 1245. CONFIDENTIAL . 13 724TH BOMBARDMENT SQUADRON (H) 451ST BOMBARDMENT GROUP (H) APO 520, US Army. 27 April 1945. STATEMENT Aircraft #12 was flying directly behind us and I saw it drop its bombs on the target at Linz. After dropping our bombs our flight broke up momentarily as each ship took evasive action. Number 12 fell behind us and lost altitude as we left the target. About five minutes after leaving the target the formation made a 90° turn to the south. Number 12 continued East until it was out of sight and I saw it no more. When I last saw it, it seemed undamaged and none of its engines were feathered, it was flying due east at about 20,000 feet.
