#### STATEMENT

I, KENDALL K. FISH, 0-822126, AC, was the Pilot of a B-24 Liberator Aircraft which flew in the second position of the formation on 7 February 1945, with B-24 Liberator Aircraft number 44-48774, piloted by 1st Lt EDWARD W. PALASKIS, 0-765305. This ship was flying number three position.

The number two and three engines of the subject ship were hit by flak. There were also bad gas leaks in the bomb bays. From all appearances there were no wounded aboard, but it seemed the crew would have to bail out upon leaving the target area. The ship maintained the necessary altitude, above us and to the left. We rallied after which we turned and headed back towards our home base. It PAIASKIS contacted Colonel HOPPOCK, the Deputy Group Commander, for a heading to Russia. I lost all contact with the subject ship at that time.
